From

in Mysore, Bangalore.

To

The Secretary to the Government of
H. H. the Maharaja of Mysore,
Revenue Department, Bangalore.

Sir,

In forwarding herewith a copy of letter No.72 dated 23rd August 1922 from the Medical Officer, Leper Asylum regarding the inadequacy of the amount sanctioned under "Dieting Charges" of the institution, I have the honor to state that there is no restriction as regards the number of lepers sent by the Civil and Military Station in as much as the Station authorities are prepared to pay the cost of their maintenance. As the charges, however, have to be met in the first instance from the provision made therefor in the budget, the Medical Officer, rightly anticipates his inability to keep within the allotment viz., Rs.2960, especially as a sum of Rs.1511-6-0 being last year's excess expenditure, had to be met from the current year's grant, having only a balance of Rs.1448-10-0 both for the State and the Station lepers

In view of the fact that an increase in the number of Station lepers tends to proportionately reduce the State share of the cost of maintenance of the institution, I request that any probable excess of expenditure under "Diets" that may occur in the current year may, as a special case, be kindly allowed to be adjusted from the actual contribution that may be received, in excess of "Rs.200" the estimated figure in the Budget.

D.O. Letter No.72 dated 23rd August 1922 from the Medical Officer, Leper Asylum, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

****

With reference to your office Memorandum No. Dis.B. 69 dated 12/14th August 1922 , I have the honour to bring to your kind notice that the allotment sanctioned towards Diets of the Leper Asylum during the year 1921-22 was Rs.2700 but the amount actually spent during the year was Rs.4211-6-0 and thus the allotment was exceeded by Rs.1511-6-0. I submit that out of Rs.4211-6-0 spent during the year the charges for the maintenance of the Lepers of the Civil and Military Station amounted to Rs.2679-3-11 deducting which amount the actual amount spent was only Rs.1532-2-1 which is within the sanctioned grant of Rs.2700/- The allotment for the current year towards diets is Rs.2960/- and if the amount of Rs.1511/6 should be deducted from it, a balance of Rs.1448-10-0 will be available for the current year's Diets.The number of beds available are 32 (16 for males and an equal number for females) The dieting charges for each patient is 6 annas 6 pies per day as per accepted rates and for the month it would be Rs.12/3 The amount available would suffice for 120 patients. Taking the average number to be dieted during every month to be 25 the allotment would be used up at the most in five months. The majority of the inmates of the asylum are from the Civil and Military Station. If the charges for their maintenance are excluded, the allotment for the year for the dieting of the lepers of the State could be kept within the sanctioned limit.

Under the circumstances, I request you to be so good as to instruct me as to the procedure to be adopted in future.
